

IMPORTANT INFORMATION
ASSESSMENTS FOR SUPPORTIVE HOUSING

Dear Family,

Our professional team can do complete assessments for Supportive Housing. This project is authorized and in partnership to the Winnipeg Regional Health Authority. (WRHA)

The assessments are thorough and similar to the WRHA assessment and approved by the WRHA.

The assessments are completed by Janice Hebb- Client Services Manager Riverwood Square.

- Bachelor of Human Ecology, with a major in Aging and a minor in Family Social Science in 2005.
- P.I.E.C.E.S trained, 2008. P.I.E.C.E.S., which stands for Physical, Intellectual, Emotional, Capabilities, Environment and Social. Under the initiative is trained to assess residents in each of the areas highlighted in the program's title. P.I.E.C.E.S is a creative care planning and care provision strategy.
- Employed with Riverwood Square – Harmony Court as the Resident Services Manager for ten years.
- Five years of training in Dementia Care through the Alzheimer Society of Manitoba.
- Facilitate a monthly Caregiver Support Group as a volunteer for the Alzheimer Society of Manitoba since 2008.
- Career focused on the best practices in Dementia Care and providing support to the person with dementia and their family.

Please contact Heather, Linda, or Janice if you are interested in learning more about this assessment process.
