It only seemed natural to name these south facing luxurious two-bedroom units after one of the most majestic trees to be found on the banks of the Red River. The Cottonwood's master suite features an ensuite with bath and two closets separated by a television alcove. Both bathrooms are tastefully appointed with furnishings from the Debbie Travis design collection. The roomy kitchenette features exquisite cabinetry and modern stainless steel appliances, with storage in the large walk-in alcove and room for a breakfast nook.
