

Monthly Cost Breakdown

www.riverwoodsquare.com/the-landing

www.riverwoodsquare.com/harmony-court

When doing your research, it is important to visualize and understand what is included in your monthly costs.

Take a moment to write down what you are currently paying for the following items, add it up and compare to our all-inclusive price. For those that don't have a cost (such as housekeeping), try to put a dollar value as to what it is worth to you to save that time and energy.
